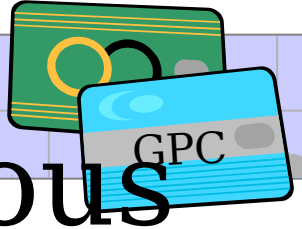
Sharie Holland

Hazardous Material

61 ABG/LRFDDH

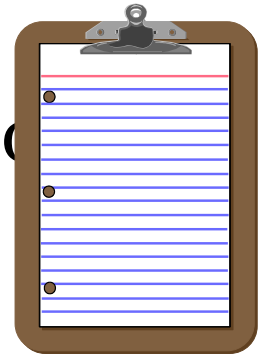


Hazardous Materials

- Customers Are Required IAW AFI 32-7086, Hazardous Materials Management to Process All Hazardous Materials Through the Hazmart.
- All Hazmat Must Obtain Hazmart Approval
- Level of Hazard Is Assessed
  - May Need Label for Tracking Purposes
  - Labels are Obtained From 61 ABG/CE
    Yong Park 3-1178

The Process

- Submit AF 3952 With Material Safety Data Sheet (MSDS)
  - Check Hazmart to See If MSDS Is on File
    - If Not
  - Obtain MSDS From Manufacturer
- User Determines If Material Has Received Prior Approval
  - Contact 61 ABG/LRFDDH (Hazmart)



The Process

- A Copy of Form 3952 Will Be Returned to the Customer
- Use The Hazardous Distribution Supply Center (HDSC) 0, 61 ABG/LRFDDH, As Material Issue Center (MIC)
  - Contact Ray Russell 3-0121
  - Sharie Holland 3-0035
